

ABOUT MALAYSIAN TECHNICAL COOPERATION PROGRAMME (MCTP)

The Malaysian Technical Cooperation Programme (MTCP) was launched in 1980 to promote and facilitate technical cooperation amongst developing countries based on the concept of self-reliance.

Since its inception, more than 30,686 participants have undergone various training under MTCP. MTCP has extended its recipient of countries to 142 developing nations for training within its ten (10) key areas.

The programme encourages the exchange of relevant experience, pooling, sharing of resources and the development of complementary capabilities.

The MTCP includes:

- Provision of scholarship and study awards for studies at various institutions in Malaysia;
- Provision of training where participants are sponsored by third countries;
- Study visit and practical attachments at various Government agencies;
- Provision of Malaysia expert, supplies and equipment for socio-economic projects.

ABOUT MALAYSIA AVIATION ACADEMY (MAVA)
